Amendment Overview / Changes Made

Summarize the changes made to the chapter's bylaws since its last version.

The names of eligible programs were changed to match those listed on the ABET and K-State websites. A provision allowing the Advisory Board to elect candidates for membership and service projects for candidates were struck in accordance with the TBP Constitution. Provisions for meeting notice requirements were consolidated to one section. Provisions for readmittance to active status were changed so that members inactivated for meeting absences are automatically readmitted at the end of the same meeting. Terminology was updated in line with current TBP and modern standards in general. Responsibilities of the Executive Committee were specified more clearly. Additional language reserving a future named award for Dr. Richard B. Hayter was added. Please see the attached bylaw amendments document for additional explanation and precise modifications to the bylaws.
